The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decorations of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court at *Windsor*, the 1st day of March, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of such rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, in Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

ARTHUR HELPS.

Admiralty, 17th January, 1866.

REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY,

For the Admission of Boys to the Royal Hospital School at Greenwich.

The school consists of 800 boys, the sons of commissioned officers, warrant officers, engineers, assistant engineers, petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy; of men who have served or are now serving in the coast guard; of officers or seamen registered in any way to serve Her Majesty; or of seafaring persons.

With the exception of the right of presentation enjoyed by Lloyd's Patriotic Fund Committee, all claims for admission to the school will be judged of by a Committee of Selection appointed by their Lordships, in accordance with the under-mentioned scale.

1*st Class.*—(1.) Orphans, both parents dead.

(2.) Sons of fathers killed, drowned, or deceased in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.

(3.) Those whose fathers have been wounded or maimed in Her Majesty's Service.

2*nd Class.*—Sons of engineers, assistant engineers, and warrant officers not included in the before-mentioned class.

3*rd Class.*—(1.) Those whose fathers are serving, and whose mothers are dead, according to rating and service of father.

(2.) Sons of pensioners, according to class, not already included. Sons of out-pensioners, and sons of seamen and marines now serving.

4*th Class.*—(1.) Sons of seamen registered in any way to serve Her Majesty.

(2.) Sons of seafaring persons whose claims will be judged of by the Committee of Selection.

The sons of commissioned officers are admissible with the sons of seamen, and their claims for admission considered by the Committee of Selection under the same conditions.

At the request of the parents or guardians of candidates for admission, a "Form of Application" will be sent to them by the Captain Superintendent, Greenwich Hospital, which, when properly filled up, must be returned to him as directed, with the two following certificates:—

1. A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper officer from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between ten and eleven years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain the age of fourteen years and six months, unless either (1) volunteer, with the consent of their parents, to enter the Royal Navy,—in which case, if they are physically fit for service, and of good character, they will be entered as boys on board Her Majesty's Ship 'Excellent,'—or unless they succeed by their talents, industry, and good conduct in obtaining admission into the "Nautical Division" by competitive examination.

The "Nautical Division" will consist of eighty boys, who will be discharged on the first day of January, April, July, or October, after they shall have attained the age of fifteen years and six months; special cases in which they are recommended by the Principal of the school for further time, not exceeding six months, will be taken into consideration by the Lords Commissioners of the Admiralty.

The education of the boys will comprise, in the "Lower Division," the usual elements of a sound English education, geography, English history and grammar, French, and drawing.

In the Nautical Division, in addition to the above, trigonometry, navigation, and nautical astronomy will be taught.

The practical instruction for the out-of-school hours will consist of knotting and splicing, a knowledge of the rigging of a ship and rigging, and the great gun and cutlass exercise.

Children of Roman Catholics, or of Protestants not being members of the Church of England, will not be required to learn the Church catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the father be dead at the time of the child's admission, then the marriage certificate or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such child.

NAVAL RETIREMENT.

At the Court of Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's *Most* Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, the words following, viz. :—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"First, as relates to Captains.

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows :—

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay.

At the Court at Windsor,

the 9th day of July, 1864.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1864, in the words following, viz.:—

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorize us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy; and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in Council; we would humbly submit the following propositions for your Majesty's gracious approval.

"*First, as relates to Captains.*

"1. That the Active List of Captains shall be reduced from 550 to 500.

"2. That the existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

"If on the 10s. 6d. Half-pay List when retired 18s. per diem.
If on the 12s. 6d. " " " } 20s. "
If on the 14s. 6d. " " "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in Paragraph 8.

"3. That the above system of retirement shall be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8.

"When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this Clause who has not been five years on that List.

"4. That Captains who shall be found physically unfit for service may, at our discretion, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of 15 years; and if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

"5. That we may be empowered, at our discretion, to allow a limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 500, no further retirement of Officers shall take place under this clause.

"6. That Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, shall be placed on the List of Reserved Rear-Admirals.

"These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

"7. That the increased rate of 25s. per diem Half-pay shall be extended to Officers who, under the provisions of the

Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held or the List of Captains, but without receiving any further increase of retired pay or emolument.

" 8. That no Officer who was not on the Active List of Captains previously to the 1st of August, 1860, shall be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

" Second, as relates to Commanders.

" 9. That the Active List of Commanders be reduced from 450 to 400.

" 10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who have not served within a period of fifteen years either Afloat or in command of Revenue Vessels or in the Coastguard, or as Mail Agent, or Transport Officer, shall be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of 60 or on attaining 15 years' seniority on the List of Commanders, and to receive on their retirement pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore as half the same period served at sea, instead of one-third, as at present.

" 11. That the same plan of retirement, with its corresponding benefits of rank and Retired Pay, shall be extended to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

" 12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

" 13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

" Third, as relates to Lieutenants.

" 14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

" 15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

" 16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the Orders in Council under which they were respectively retired.

" 17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of these classes of Officers, there have been, and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their positi been disturbed by the provisions of the said O Council; in order, therefore, to prevent such Office becoming sufferers by a retrospective regulation, we humbly submit to Your Majesty, that on their risi position which, had they continued on the Activ would have entitled them to any higher rate of R they should be exempted from the provisions of th In Council of 1st August, 1860, and awarded th amount of Retired Pay as if their position had n disturbed by those provisions.

" Should Your Majesty be graciously pleased to a these our suggestions, we would humbly submit th Majesty will authorize us to carry into operation the arrangements and changes herein contemplated, fr 1st of July, 1864."

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of depo-it.

I am, &c. J. W. CROKER.

(GREENWICH HOSPITAL PROPORTION OF FREIGHTAGE, FOR THE CONVEYANCE OF TREASURE IN H.M. SHIPS.)

My Lords Commissioners of the Admiralty having had under their consideration the mode at present adopted, with regard to the payment of the Greenwich Hospital Proportion of Freightage, for the conveyance of Treasure in H.M. Ships, are pleased to lay down the following regulations to be observed for the future:—

That the Returns of Freightage, hitherto sent by the Commanding Officers of H.M. Ships to Greenwich Hospital, be forwarded to the Accountant-General of the Navy, instead of to the Treasurer of Greenwich Hospital, as directed by the Proclamation, dated 12th July, 1819.

That the Commanding Officers of H.M. Ships, upon the receipt of the Freightage on the Treasure conveyed, are to pay the proportion due to Greenwich Hospital to the Paymasters of their respective Ships, who are to debit themselves in their Public Cash Accounts under the Head of "Freightage on Treasure due to Greenwich Hospital," treating the same as a part of their Public Cash, available for their Contingent Payments, and transmitting Vouchers with their Cash Accounts, descriptive of the sums received, in order that these transactions may be duly examined in the Department of the Accountant-General of the Navy, and the amounts paid over to the credit of the "Greenwich Hospital Income Account."

The correspondence on the subject of "Freightage due to Greenwich Hospital" should be addressed to the Accountant-General of the Navy.

ENTRY AND DISCHARGES OF SEAMEN AND MARINES.

CIRCULAR No. 31.—N.

Admiralty, 22*nd August*, 1866.

...FOR THE EXAMINATION OF OFFICERS, ...AND BOYS FOR ADMISSION INTO THE ROYAL ...NAVY AND MARINES.)

...Lords Commissioners of the Admiralty are pleased to ...the following regulations for the Medical Examination ...Men, and Boys for the Royal Navy and Marines, ...in lieu of those contained in article 94, pages 397 and 398 of ...Queen's Regulations and Admiralty Instructions, and in ...page 4 of the Instructions to Surgeons and Agents of Sick ...Berths.

...Medical Officer is directed to examine any person ...offering into the Naval Service, or into the Royal ...Marines, in the first to observe whether he has any marks of ...wounds or injuries of the bones of the head, whether his ...sight or hearing is defective, whether he is deformed, ...whether he has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect

Digitized by Google

or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis, dyspnœa, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distention of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non descent of one or both testicles, varicocele, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

By command of their Lordships,
HENRY G. LENNOX.

To all Commanders-in-Chief, &c.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a register thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed in the service.

Eleventhly. It is ordained that the General Orders to be referred to shall from time to time be transmitted by the Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise of persons falling within the rules above specified, or in which the claim, though well founded, may not have been established on the spot, We will, on the joint submission of the Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral, or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery which the claim is made.

Thirteenthly. It is ordained that, in the event of a particularly brave and daring act having been performed by a single ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem the whole are equally brave and distinguished, and that no individual selection can be made by them; then, in such case the Admiral, General, or other Officer commanding may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers or Non-commissioned Officers engaged; and two Seamen, Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of the parties selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration on the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross, shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not within a reasonable time surrender himself to be tried, the name of the same, his name shall forthwith be erased from the Register, and all rights of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred upon them for fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this ninth of January, in the nineteenth year of Our Reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen, and Marines dying on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

Prize Money.

Any Assignment made by a Warrant Officer of any Prize Money shall be void unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such Assignment there shall be paid so much *money* only as appears to have been actually paid as consideration for the same, with interest thereon at 5 per cent. per annum.

Only Commissioned and Warrant Officers, and Assistant Engineers of the 2nd Class amongst Subordinate Officers, can make valid Assignments of Prize Money.

Any share of Prize Money of any other person can only be paid to himself, or the person named in an order drawn by him as hereinafter prescribed.

(The foregoing restriction does not, however, apply to any Prize Money remaining unpaid on the promotion of a Subordinate Officer to the rank of Commissioned Officer, or of a Seaman to the rank of Warrant Officer.)

Every Prize Order:—

Must be drawn on a printed form issued by the Accountant-General of the Navy;

And in favour of some one or other of the following persons by name:

The Drawer's Wife;
" Father or Mother;
" Son or Daughter;
" Brother or Sister;

any of whom must be so described in the Order.

Unclaimed and forfeited shares of Prize Money:—

If the share of any person is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

Notwithstanding that any such share has been forfeited or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the Naval Prize Old Balance.

CIRCULAR, No. 16.—M.

Admiralty, 6th June, 1866.

(RATING OF CARPENTER'S CREW, 2nd CLASS.)

A Ship having been appropriated for training a limited number of Boys, to be hereafter employed as Carpenters' Crews for Her Majesty's Navy, my Lords Commissioners of the Admiralty have been pleased to establish a new Rating of

"Carpenter's Crew, 2nd Class,"

with the pay of one shilling and three pence a-day, to be given to such Apprentices under training on their attaining the age of 18.

These Artificers will be sent to sea at the age of 19, and are to be rated as Carpenter's Crew, if found qualified, after one year's service; but if not sufficiently advanced in their trade, they are to be continued under instruction in the 2nd Class until they reach the age of 21.

By Command of their Lordships,

T. G. BARING.

To all Commanders-in-Chief, &c.

THE ALBERT MEDAL.

Extract from London Gazette of 13th March, 1866.

WARRANT INSTITUTING A NEW DECORATION TO BE STYLED THE ALBERT MEDAL.

VICTORIA, R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of effectuating an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous shall be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A. interlaced, with an earlier crest, in gold, surrounded with a garter, in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a Registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving, or endeavouring to save, the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction: It is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which, in our judgment, disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited: and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, to the enjoyment of the Decoration.

Given at Our Court at *St. James's*, this seventh day of *March*, one thousand eight hundred and sixty-six, in the twenty-ninth year of Our reign.

By Her Majesty's command,

G. GREY.

MEMORANDUM.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1859.

Their Lordships having been graciously pleased to approve of the Naval Medal which has been awarded by the Sultan Abdul Medjid Emperor, to the Officers and Crews of Her Majesty's ships employed in the Black Sea, between the 28th March, 1854, the date of the landing of the Troops, and 8th September, 1855, the date of the fall of Sebastopol.

Their Lordships direct, that a portion of such Medals have been received, and will be distributed in the first instance to Officers and Men on board Her Majesty's Ships in Ordinary, and persons at present in the United Kingdom, and pensions at present in the United Service.

Further notice will be given when the remaining portion of such Medals have been received.

Every applicant must state his rank or rating, and the name of the ship or station on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his applications should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1859.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

The Officers on the Honorary List will not be required to undergo drill, nor will they be liable to be called out for active service, except in cases of emergency, and not then, unless they have been at any time on the Active List.

Promotion.

Officers of the lower rank in the Active List will, if qualified, be eligible for promotion to the higher rank on that list, at the discretion of the Lords Commissioners of the Admiralty.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same grade as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

Officers who, whilst on actual service, shall have distinguished themselves in action with the enemy, or by the character and length of their services, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed zeal in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services; either

(1.) Without rank; or

(2.) On the Honorary List, with the rank they may hold at the time of their retirement; or

(3.) On the Honorary List at a higher rank.

Uniform.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz.:—

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loop to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants . . . . 10*s.* a-day.
Sub-Lieutenants . . . 7*s.* a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.
